To Whom This May Concern:

As the Director of Operations of Blue Grillhouse/WineBar I have found Jon Tice to be one of the most dedicated and talented chefs that I have supervised throughout my career in the restaurant industry. His loyalty and passion for our restaurant is noticeable through both his attitude and culinary talents. While maintaining a professional manner, Jon is very personable, bringing life to our kitchen.

Jon has been a great asset to our institute and will be very difficult to replace. I wish him well in his endeavors and I am confident that you will find an incredible asset to your company in Jon Tice.

Sincerely,
