To Whom It May Concern:

Jon Tice has been under my supervision for the past year at blue grillhouse | winebar. His attention to detail is exemplified daily in his work as a chef. In addition to being meticulous about quality, Jon is also capable of handling situations under pressure. He is a creative, talented, and dedicated employee who has a positive influence on his coworkers.

I can assure you that Jon will be of great value to your company. He is an enormous loss to our establishment and staff. I wish him the best of luck in his future endeavors and hope that you will find him to be a valuable employee.

Sincerely,
